CHORUS

Our high school is famous for its Chorus Club.
AH, THE CHORUS CLUB IS BEGINNING ITS PRACTICE.
And the accompaniment is unusual.
I CAN LISTEN TO IT ANY TIME~
Mesmerized
Practices are more vigorous than in any other clubs.
Even though it's just a culture club...
KAJIWARA-KUN'S VIOLIN ACCOMPANIMENT.
Sakamoto-kun's piano is good too~
The violin accompanies the piano.
But more than anything...
...AH.

UCHI-

WHAT'S YOUR PART? SOPRANO? ALTO?
WHY DO YOU ALWAYS RUIN THE SOUNDS?! IN THE FIRST PLACE...

I HEAR A GRATING NOISE...
There's one tone-deaf person in the mix.

Whenever I face others, I sweat profusely and start to tremble.

I've never been able to tell other people what I think.

RUN THREE LAPS AROUND SCHOOL!

Around 5km

Do 3 sets of 20 sit-ups while you're at it!

But I really like to sing.

Good luck~

BLUSH

Giggle Ahhh, Uchida-chin is running again~

So I joined the Chorus Club,

thinking that I could sing as much as I wanted if I was within a crowd.

But I...

I can't sing because there are people around me...

I'm so pathetic...

Sob...

He's practicing by himself again!
Kajiwara-kun's violin!
STANDS
The other reason I joined the Chorus Club is because
It's the Ode to Early Spring...
of his violin.
Within this sound...
Inhale
It's the first time I've ever heard such a beautiful sound.

I should practice too. Is no one around? Okay.
